

Dear Friends,

The Saskatchewan Brain Injury Association is pleased to invite you to our 3rd Annual Brain Food Dinner (part of the BIAC Hawaiian Oyster Odyssey series) at the **Hilton Garden Inn** on March 14, 2008. We are very excited to have the Sask Neuro Science Network (SNN) involved with us this year. Researchers will be displaying their current work and will be available for Q & A period during the reception hour. We encourage the Saskatoon Business community to once again assist in making this primary fundraiser for the Brain Injury Association of Saskatchewan a huge success.

This year's Hawaiian Oyster Odyssey will be highlighted with a creative culinary masterpiece designed by the executive chef of the Hilton using a Hawaiian inspired theme and ingredients. We will also be having a silent auction with many great items, and some fun door prizes including **Best Dressed Hawaiian**. The evening will feature a reception hour, music, and guest speaker, *Dr. Terry Levitt* who will apprise us on the "Impact of Brain Injury".

If you would like to sponsor or attend the dinner, donate a door prize or silent auction item, please contact our office at 373-1555, or email us at info_sbia@sasktel.net. All donations will be acknowledged with signage at the event, a newspaper Thank You ad, and receipt which best suits your needs – paid invoice, gift in kind acknowledgement or a numbered tax receipt for the dollar amount of the item donated.

Brain Injury is the leading cause of death and disability for Canadians 45 and under, and a very difficult injury to recover from for the survivors and their families. Please help those affected by joining us in supporting this year's event.

All proceeds go to the Association's programs and services. Please feel free to call our office for more information or visit our website at www.sbia.ca.

Thank you for your gracious reception.

Our corporate sponsorship levels are as follows:
